Bombers captured in Balad

BALAD, Iraq – A patrol from the 4th Iraqi Army Division captured five terrorists as they were planting an IED Sept. 28 in Balad.

Troops spotted the military-aged males in the act of unraveling a length of detonation cord attached to the bomb which was buried in the shoulder of a nearby road.

Iraqi EOD responded and cleared the hazard which consisted of two 130 mm Chinese-made artillery illumination rounds.

The detainees were taken into custody for further questioning and no injuries or damages were reported.
